

# Medmarc Risk Management Webinar Series

## Webinar Summary

### Best Practice to Navigate FDA Enforcement Actions

**Presenter: Jennifer (Jen) Diaz | President and Founder of Diaz Trade Law**

In this on-demand webinar recorded live on February 14, 2024, Jennifer (Jen) Diaz specializing in import/export compliance and enforcement actions, emphasized the importance of legal and compliance advice when dealing with FDA enforcement actions. She highlighted the potential consequences of non-compliance, the importance of effective communication with the FDA, and the necessity of compliance with customs regulations.

If your business is manufacturing, repackaging, relabeling, and/or importing medical devices into the U.S. and you want to learn best practices to navigate potential FDA enforcement actions this webinar is for you.
